## HOSTESSES.

The next euchre and lotto of the ladies of St. Patrick's parish will be held Monday night in the new St. Patrick's Hall at Sixteenth and Market. Those already given have been very enjoyable and successful, and as the end of the season approaches the ladies anticipate a record attendance. The hostesses for Monday night are Mesdames Joseph Kalbfleisch, James J. Terrell and Edward McCue and Misses Dolores Cottrell, Ida Mackey and Barbara Ballman.

## FORTY HOURS.

Beginning with the exposition of the Blessed Sacrament at the high mass tomorrow morning at St. Ann's church, Seventh and Davies, the members of that parish will observe three days of grace known as the Forty Hours devotions. They will spend as much of the time as possible in the church in prayer, meditation and adoration of the Blessed Sacrament. Rev. John T. Hill, the pastor, will direct the services, assisted by priests from other churches, who will preach the evening sermons.

## COVINGTON.

On Tuesday morning Very Rev. Joseph Flynn sang a requiem high mass at the Covington Cathedral for the deceased members of the Bishop Carroll Council, Knights of Columbus. Dr. J. A. Ayerick addressed the council at its regular meeting Wednesday evening on "The Liturgical Question of Today." On Thursday evening the pre-Lenten ball of the council was held, and the largest crowd of the season was present. The lecturer also is preparing an Irish evening for the meeting on March 9, at which Judge Dixon, of Cincinnati, will be the principal speaker.

## FATHER CAVANAUGH WANTED.

The Floyd County Centennial Committee arranging for the celebration to be held in New Albany next September will endeavor to secure the Rev. Father John Cavanaugh, President of Notre Dame University at South Bend, for the speaker for that occasion. Father Cavanaugh has been a close student of Indiana history for years and is an orator of national reputation, and his presence would arouse a deep interest in the New Albany celebration. He is a member of the Indiana Centennial Commission which has charge of the centennial observance throughout the State. Chairman T. E. Crawford, of New Albany, will attend the meeting of the Centennial Commission at Indianapolis and extend the invitation to Father Cavanaugh.

## THE EXPECTED END.

## MACKIN EUCHE.

Many handsome prizes have been received for the Mackin Council euchre and lotto party to be held at the club house on March 1 and 2. The committee in charge will leave nothing undone that would add to the pleasure of the occasion. All ticket-holders will be entitled to a chance on a load of coal.

## MAJOR GEN. BARRY.

Major Gen. Thomas H. Barry, commanding the Philippine department, who has been in Manila since early in 1914, is to be relieved on April 1 and will return to the United States and take command of the Central department at Chicago. Col. Daniel A. Frederick is in temporary command of the Central department. Brig. Gen. Hunter Liggett, now in Manila, will relieve Major Gen. Barry of the command of the Philippine department.

## FAST WORK DONE.

Statistics dealing with the vast amount of work done and money spent for charity last year by the St. Vincent de Paul Society throughout the country are surprising. A conservative estimate of the total expenditures for the year aggregate upwards of \$800,000. And this great sum has been given the poor regardless of race, creed or color. This stamps the Vincents as the greatest charity organization this country has ever known.

## THREATENED CATHEDRAL.

Tuesday night the police of Minneapolis were searching for a man suspected of attempting to damage St. Mary's Cathedral of that city. The suspect fired twice at Peter Callahan, engineer of the Cathedral, when the latter and an assistant discovered him prowling around the basement of the building late the preceding night. Callahan said the water had been drawn from one of the big boilers, but that this had been discovered in time to avert an explosion.

## MAMMOTH LIBRARY.

With the excavation completed and contracts for the construction work, totaling \$200,000, let this week, work will begin in a few days on the Notre Dame library, which will cost a quarter of a million dollars. The contract for the erection of the building itself was awarded to the Bedford Stone and Construction Company of Indianapolis. The new library will have a capacity of over six hundred thousand volumes and the bookshelves alone when completely installed will cost in the neighborhood of \$100,000.

## VIEWED IN KANSAS.

"Anyone who travels much in this country needs a digest of State laws handy or he may be in constant trouble. Iowa makes it a misdemeanor to tip, whereas Missouri considers it a crime not to tip. To buy cigarettes in Kansas is a criminal offense; not to buy them in Texas is looked upon as lunacy. Whisky drinking in Oklahoma opens the gaol doors at once; not to drink whisky in Kentucky is to expose one's life at every instant. It is hard to know how to act while pursuing freedom and happiness in this land of the brave."

The above, from the Catholic Advance, perhaps intended for a joke, is nevertheless a base slander on Kentucky, and would lead travelers to believe the good editor had never been outside the confines of Wichita where the people drink and appreciate Kentucky whisky.

## FOR WOMAN'S EYE.

The straw hats are brilliant in coloring.

Ribbons will play an important part in trimmings.

The normal waist line is the proper one of the moment.

Yokes are very much to the fore both for skirts and waists.

Plain white serge will fashion many of the new spring coats.

Gray in various shades will be one of the best of the spring colors.

Blue serge holds the lead for one-piece between the season frocks.

There has been but little change in coiffure and hairdressing lately.

Jersey cloth is to be offered as a substitute for serge in spring suits.

Sleeves are quite large in the one-piece frocks and reach to the waists.

Skirts of one material and coats or bodices of another continue to gain favor.

Medium size hats have taken a vacation and the choice will be between the wee little ones and the big flat hats.
